

To Whom it May Concern:

Rennia Aviation is 100% committed to safety. This includes protecting passengers and employees from illness wherever possible.

Rennia Aviation is following all CDC, DOT, DHS and FAA recommendations regarding the prevention of Coronavirus. Additionally, we are cleaning all surfaces in the cabin of our aircraft with disinfectant after EVERY flight and providing hand sanitizer to passengers and personnel.

Please contact us if you have any questions.

Thank You,

Management Team

Rennia Aviation
